

RABBLE

[NOUN.]

1. A lively crowd or gathering.
2. The rabble; the common people.

Named after King George II's son, this very street has long represented that inspiring sense of laughter, debauchery & frivolity encouraged by the great-natured Prince Frederick. Not one to succumb to the hierarchy, the rebellious Fred disregarded the sentiments of the aristocracy by socialising with the common folk. Scored by the nobility, but celebrated by us, the high-spirited 'rabble rouser' was a friend to all. Rabble, one of Frederick Street's many inviting haunts, was established in honour of the Prince's zest for life - Rabble welcomes everyone!

With relaxed low & slow cooking, pints of tank beer & tipples for all, let's revel in good company & feast together.

RAISE YOUR GLASS TO THE GOOD TIMES,
PAST, PRESENT & FUTURE, AND LONG
MAY FRED'S ATTITUDE LIVE ON!
